Re: Your Public Records Act Request Dated August 18, 2016

Dear Mr. Petersen:

Our office serves as general counsel for El Camino Real Alliance (“ECR”). This correspondence is in response to your Public Records Act request dated August 18, 2016, which was addressed to Marshall Mayotte, CBO of ECR. Your request seeks the following records:

1. A letter received by El Camino Real Charter High School on July 8, 2016, from the LAUSD Charter School Division.
2. The LAUSD Charter School Division’s Notice to Cure delivered to El Camino Real Charter High School dated October, 2015.
3. All responsive documents by El Camino Real Charter High School to the LAUSD Charter School Division in relation to the October, 2015, Notice to Cure.

In accordance with Government Code section 6253(c), ECR has determined that your request, in part, seeks disclosable records. With respect to the request, we note that under the Public Records Act, ECR is not required to create new records in order to provide you with the information that you seek. Moreover, the Public Records Act applies only to documents “prepared, owned, used, or retained by” ECR (Govt. Code § 6252(e)) To the extent that your request seeks documents beyond this scope, ECR denies your request. Further, ECR is not required to produce documents exempt from disclosure under the Public Records Act. (Govt. Code § 6254) To the extent your request seeks documents exempted from disclosure by the Public Records Act, ECR denies your request. In responding to your request, ECR does not waive any further rights it may have to withhold non-public information pursuant to the Public Records Act, and expressly reserves those rights. Lastly, please be advised that ECR also reserves the right to later supplement its production of documents should additional documents responsive to your request be located.

The records responsive to your request will be made available to you once ECR has had reasonable time to locate, review and redact these records. The responsive disclosable public records in the possession of ECR that are in hard copy format will be made available to you after you pay for the direct costs of duplication. ECR will notify you of the anticipated total cost for the copies when all the documents are compiled, and will require receipt of payment prior to duplicating the records. We anticipate that the records responsive to No. 1 and 2 of this Public Records Act request will be made available by September 9, 2016. We expect that the public records responsive to No. 3 will be made available by September 23, 2016. ECR fully intends to remain transparent in all of its operations and will comply with your request, insofar as it is obligated under the Public Records Act. Please contact me if you have any further questions or concerns.

Sincerely,
