

Barton Creek Guests,

We wanted to take a few minutes and provide you with an update on the actions we are taking to ensure your safety while keeping the golf courses open for play

- **The Golf Courses Are Open: Tee times are required;**
- **Four Players or Less Per Tee Time: As required by our government officials, we will adhere to groups of four or less. Fivesomes will not be permitted. Please plan to arrive at the first tee approximately five minutes prior to your scheduled tee time.**
- **Golf Carts Issued by the Club: Two people may now ride in one cart. Single rider carts will be made available upon request and based on availability.**
- **Flagstick & Cup: It is suggested to leave the flagstick in the cup, all cups have a mechanism to allow you to retrieve the ball without touching the hole or flagstick. If a ball lips out due to the modification, it is deemed to be holed.**
- **Bunkers: Rakes are now available for use, if you choose to do so. The agronomy team will continue to rake the bunkers daily.**
- **On Course: It is expected that Guests maintain proper social distancing as ordered.**
- **Water & Beverage Cart Service: Bottled water is provided in your golf cart. Beverage Cart service will continue to be available; please be respectful of the associates by maintaining proper social distancing.**

In these challenging and unprecedented times, it is our goal to keep the golf courses open and available to you and we need your assistance, please respect our associates and maintain social distancing at all times.

Thank you,

Barton Creek Management
