

FAIR PRICING FOR DIALYSIS ACT

ENDORSEMENT FORM FOR ORGANIZATIONS

The Fair Pricing for Dialysis Act is a statewide ballot initiative that will appear on the ballot in November 2018. The initiative seeks to reduce health care costs by bringing down the statewide cost of one extremely high-priced health care service – kidney dialysis care provided at the more than 570 dialysis clinics in California.

The proposed ballot initiative would require dialysis companies to issue refunds if their revenue exceeds their patient care costs by more than 15%. In addition to bringing down prices, this initiative will incentivize dialysis clinics to stop cutting corners and invest in quality patient care.

We, the undersigned, support and endorse the Fair Pricing for Dialysis Act
By endorsing this initiative, we grant SEIU-UHW permission to use our name in our public communications, and to identify us as a supporter of the Fair Pricing for Dialysis Act.
