

# Hurricane Checklist

A guide to help you prepare for hurricane season.

- Non-perishable food (to last at least 3 days)
- Water (to last at least 3 days)\*
- Cooler and ice packs\*
- First-aid kit (including prescription medications)
- Personal hygiene items and sanitation items
- Flashlights (have extra batteries)
- Special needs items: pet and baby supplies
- Full tank of gas in the car
- Waterproof container with cash and important documents (birth certificates, deeds, wills, etc.)
- A plan for evacuation and in case family members are separated

\*Tip: Save money on bottled water and pre-made ice bags. Pour tap water in sealed containers and freeze them to make homemade ice packs.
