INTERNATIONAL COALITION OF BLACK TRADE UNIONISTS
Houston, Texas * MAY 20, 2020

Bill Fletcher Presents:

9am - 5pm

"We are Here Because You Were There":

A look at the forces driving immigration to the USA

Migration to the United States is a hot buttoned political issue. It has enabled xenophobic candidates to win close elections and allowed oppressed peoples to find a target to attack. But what actually causes migration to the United States. Is it just the democratic dream or are there tangible actions and forces committed by this government that ensure a steady flow of the dispossessed?
