

## CONFERENCE OF CALIFORNIA HISTORICAL SOCIETIES

November 1, 2018

Dear CCHS Member Organization,

CCHS is proud of its many accomplishments in 2018. If you did not have the opportunity to attend the workshops, training sessions or Annual Meeting, I look forward to seeing you at the many opportunities for growth and networking CCHS will offer its members in 2019.

A brief survey has been designed for you to complete and submit. Completing the survey will help CCHS provide programs and services that are vital to your organization. Please contact CCHS or your regional Vice President if you are interested in hosting an event in your area or have an idea or request for future training topics.

The 64th Annual Meeting had many highlights including a hosted networking session with the Chatsworth Historical Society, and a historical and informational tour of the Hill-Palmer Cottage. Over 40 members attended training sessions and participated in historic tours. The Annual Meeting concluded with an awards luncheon honoring museum benefactors, volunteers, Historians, historic reenactment educators and writers. **The CCHS awards program is a membership benefit** for recognizing meritorious individuals and organizations in your local area.

In 2019, CCHS will co-host the **65th Annual Meeting** on June 20-22 with the El Dorado County Visitors Authority in Placerville, CA. Taking place at the historic Cary House Hotel, members will be treated to informational workshops, keynote speakers, tours, networking and awards luncheon. Nominations for the 2019 awards luncheon are now being accepted online. Please join us to gather, learn and celebrate history exploring the gold country!

**Your continued membership is truly appreciated.** CCHS continues to provide a service to your organization and the historical community by offering Knowledge Base resources on our website, access to low-cost group insurance coverage, workshops and trainings, historical tours and announcement of member events on the CCHS website. Your membership renewal invoice will be mailed and emailed to you. The invoice can be returned by mail with a check payable to CCHS or can be renewed online with a credit card or PayPal at [www.californiahistorian.com](http://www.californiahistorian.com).

Thank you for your continued participation,

Therese Melbar  
President, CCHS
