December 1, 2021

Dear CCHS Members,

Our hearts and thoughts go out to our CCHS members, colleagues, and families, and any that have been affected by Covid-19. We understand that the ongoing pandemic situation is an unprecedented challenge for everyone, both personally and professionally. CCHS recognizes and understands the challenges facing our members, and we are working tirelessly on your behalf. We successfully hosted our first Annual (In-Person) Meeting and meetup since the start of the pandemic and look forward to a brighter future in 2022.

Through these unprecedented times, our number one priority remains serving as the statewide resource in preserving California history. As your membership renewal date approaches, and finances may be tight, we respectfully ask for your continued support by renewing and taking advantage of the following benefits:

- Access to **discounted liability insurance** rates through our discount program
- **Priority registration** and **discounted rates** to all 2022 meetups, workshops, and the Annual Meeting
- **Networking opportunities** with fellow California historians.
- Access to have your city/town highlighted in our **City-County Highlights** webpage
- Access to and the return of the *California Historian*!

Regional Vice Presidents (RVPs) are your local link to the Conference. For those State geographical areas lacking representation, please share with your membership their opportunity to join our board as a dedicated RVP. You will strengthen your connections to California's historical community by volunteering for this responsibility.

Our Life Members matter for CCHS and many provide critical financial support beyond their original membership, which in turn aids member groups in reduced event rates. We thank you, Life Members, for your long-term support and assistance to your CCHS organization, as it is in perpetuity your organization.

For our Annual Members, your continued membership is truly appreciated and provides benefits to your organization and the historical community, offering resources in our Knowledge Base, providing members access for low-cost group insurance coverage, CCHS website announcements for member events, and historic travel for the CCHS Event Calendar.

Thank you for your continued participation in preserving California's history!

Kris Payne – President, CCHS
