Your input is vital to the success of the Commission. We need your Communities of Interest information to respect the boundaries of your communities during the redistricting process. This meeting is primarily for Communities of Interest testimony and will include a general public comment session at the end of the meeting. **You will have a total of 3 minutes to provide your COI input.**

DURING THE MEETING YOU WILL BE ASKED TO DESCRIBE YOUR COMMUNITY.

While there are no clear rules on how to define a community of interest, we've identified ways for you to describe your community.

- Begin with your county/city.
- Mention the street names and significant locations in your neighborhood to help us identify the parameters of your community.
- What are your shared interests?
- What brings you together?
- What is important to your community?
- Are there nearby areas you want to be in a district with?
- Are there nearby areas you don't want to be in a district with? Why or why not?
- Has your community come together to advocate for important issues, better schools, roads, or health centers in your neighborhood?
- Does your community utilize the same services?

We realize your time is valuable and this process can be a time-consuming one. Therefore...
