Subject: Redistricting

California Redistricting Commission,

Below are pictures of Congressional Districts #27 & #31. We live in that tiny little carve out that illustrates the problem of where we live in Upland, San Bernardino County. Our property taxes go through SBC. Our representation, with the exception of SBC Supervisor District #2, Jan Rutherford, are all oriented overwhelmingly to Los Angeles County. It is just unfair. Please refer to my earlier email for additional consideration.

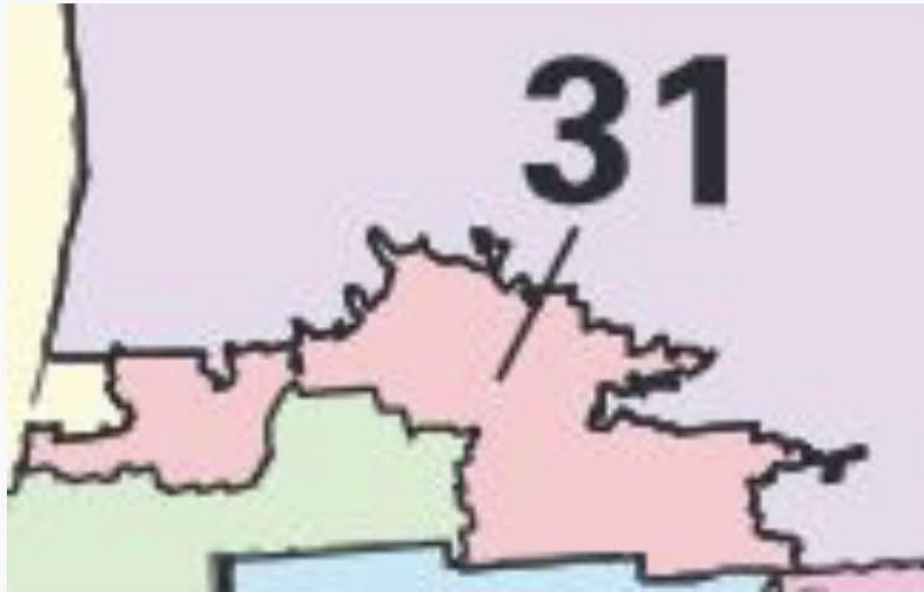

Thank you.
