Subject: US District 27; CA Assembly & Senate

Please consider including where I live as part of San Bernardino County voting districts.

1. Currently my US Representative is Judy Chu, District 27. Her district is overwhelmingly in Los Angeles County & extends well into that county.
2. Currently my CA Senate representative is District 25 held by Anthony Portantino. Again, our residence in San Bernardino County is the tiny piece of this district which is overwhelmingly in Los Angeles County.
3. Currently my CA Assembly representative is Chris Holden. This district is overwhelmingly Los Angeles County.
4. Our San Bernardino County Supervisor is Janice Rutherford in district #2. This makes sense because WE LIVE IN SAN BERNARDINO COUNTY.

Our DMV office and Social Security office are in SBC. We are members of the Upland YMCA in SBC. We are 8.5 miles from Ontario International Airport, perhaps the biggest long term driver in the area, which is in SBC. We subscribe to the Inland Valley Daily Bulletin.

Thank you.
