Subject: 49th Congressional District
To: <votersfirstact@crc.ca.gov>

Can you please send me any and all information to include replay video of public comments and any actions with respect to the 49th congressional district. I'm a combat veteran and Hispanic small business owner and I think it's important the district remains in same county and the 49th expand to include Fallbrook, Bonsall and Vista.

Respectfully,

Christopher Rodriguez
