California Citizens Redistricting Commission
Public Comment from Carole and Peter Clun

Dear Sirs,

We live in Three Rivers, CA 93271, which is a gateway to Sequoia/Kings Canyon National Park.
Many of the residents are retirees or people who work in the Park or for the commercial businesses in Three Rivers.
Most of us go to Visalia to shop and for health care. To Visalia, Exeter, or Fresno. We never drive to Bakersfield where Kevin McCarthy has his office. There is no public transportation to Bakersfield. There is public transportation to Visalia.

Rep. Kevin McCarthy refuses to meet with Three Rivers residents or schedule a meeting with us in Bakersfield. Mysteriously, for months we have been unable to contact his Bakersfield office. His "mailbox is always full."

We need a representative who listens to us and responds to our needs. Redraw the district boundaries so the district includes Visalia, Farmersville, Exeter, Woodlake, Lemon Cove, Three Rivers and Sequoia/Kings Canyon National Park.

This is a small town in the foothills surrounded by Sequoia National Forest, Sequoia National Park, and Bureau of Land Management land. Most people here are nature lovers and care deeply about the forest, wildlife, and Climate Change.
