"RESPONSE TO COI QUESTIONS: Ellen Nelson-Larson Contra Costa County. Danville
1. Our community was separated from the rest of our city, Danville, in the last
redistricting. This is dysfunctional and weird. We want to be districted WITH our city., not
carved out and separated from it. 2. Mention the street names and significant locations
in your neighborhood to help us identify the parameters of your community. I live on
Rolling Hills Lane. The community boundaries are: St. George Drive; Crow Canyon
Road; El Capitan; the Crow Canyon Country Club 3. What are your shared interests?
Schools, infrastructure, emergency (fire, police), safety, taxes, health care, parks,
government and philanthropic services, etc 4. What brings you together? All of the
above. Proposed changes to any policies, support, funding, procedures 5. What is
important to your community? All of the above. Clean air, climate change. When
government units are contiguous you can maximize the effect of tax dollar investments
and services 6. Are there nearby areas you want to be in a district with? NO. We have
been and we want to be districted WITH the rest of our city and in the same county. 7.
Nearby areas you don't want to be in a district with? Why or why not? Prefer to be
grouped with other areas in our county. Seem to have more compatible profile than with
issues of concern especially in western Alameda County. 8. Has your community come
together to advocate for important services, better schools, roads, or health centers in
your neighborhood? Yes with Danville and Contra Costa County. Ellen Nelson-Larson
Danville, CA 94526"
