To: CA Citizens Redistricting Comm.
From: Nancy Stemkoski, District # 2
Date: 7-18-21
Subject: District 2 should stay the same

Memo: I live in Del Norte County just outside of Crescent City, and think District 2 should remain the same. All the counties are coastal/Redwood counties with similar interests and are tied together by US Hwy 101.

We share resources. I volunteer at Northcoast Marine Mammal Center and we have people who live in Humboldt County that check the beaches for injured seals and call us in Del Norte when they do find a seal. We call Humboldt Wildlife when there is an injured animal in Del Norte county. We have common coast concerns.

Education - College of the Redwoods main campus in Eureka has a satellite campus in Del Norte ct.

Healthcare - Open Door Clinic is in both Humboldt and Del Norte counties.
Del Norte County should NEVER be combined with the counties east of us. There isn't a road from Del Norte to Siskiyou or Modoc counties. We would have to drive through the state of Oregon. Del Norte is on the coast and Siskiyou & Modoc are inland counties without shared interests.

Please keep the Coastal/Redwood Counties along Hwy 161 together in northern California in District 2 because we share concerns and resources.

Sincerely,

Nancy Stonkoski
