Re: Redistricting Public Input
Three Rivers-Visalia COI
Zone F

Dear Commissioners:

As a resident of Three Rivers in Tulare County, I am setting forth below my comments regarding the upcoming redistricting process and what ought to be viewed as our “Community of Interest.”

Although our town is currently in District 23, my daily life is intertwined with and dependent on Visalia, Exeter, Woodlake, and Farmersville in a myriad of ways.

I do the majority of my shopping in Visalia at Save Mart, Costco, Lowe’s and Home Depot. When I have an emergency and need to see a doctor or take my dogs to a vet, I go to Visalia. My banking is done at Chase in Visalia.

When I needed physical therapy, I went to Exeter. When I shop for clothes, I go to Exeter. When I discovered Exeter Meats, they became my meat market.

The best nursery I’ve found is in Farmersville and I enjoy breakfast in Woodlake and stopping at their hardware store.

And finally, our property taxes are paid to Tulare County, and all attendant questions, issues, and concerns are addressed in and by Tulare County.
Thus, our short and long-term economic, security and personal interests are served by and in Tulare County. Given the unincorporated status of Three Rivers, it is especially important that we secure meaningful representation at both the State and Federal levels.

In conclusion, I believe that our interests would be better served by having Three Rivers be part of a district that encompasses Visalia, Exeter, Woodlake, and Farmersville.

Thank you for considering my request that Three Rivers be included in District 22.

Sincerely,

Rochelle Adelman
