Subject: District 2 redistricting

Message Body:
My mom/pop grocery store in Junction City is dependent on tourism and travelers to the Trinity River and Trinity Alps wilderness. Our towns downriver areas of interest and population is very diverse and shares community events, emergency services and retail with Humboldt County. Trinitys interest has much in common with Humboldt Mendocino, Sonoma Counties. District 1 DOES NOT represent my communities values. I support Trinity County remaining in District 2 as it is in the best interest of our counties future.

Thank you
