Echo Park

Tell us about your community. What are your shared interests? What brings you together? What is important to your community?*

What brings my community together has to be the lake and the recreational center. It's so important to us because the beauty of the lake brings people to visit and the Recreational Center brings activities and sports to anyone.

Are there nearby areas you want to be in a district with? Nearby areas you don't want to be in a district with? Why or why not?

Nearby Areas I would like to include is Historic Filipino Town, Temple-Beaudry, and Angelino Heights. Reason for these districts is that I've met people around the Echo Park area who spend there time in Echo Park.

Is there anything else you can tell us about your community?

Echo Park is a beautiful place with many people enjoying the lake.
