California Citizens Redistricting Commission:

I would like to encourage the Commission to **remove the city of TRACY from the 10th Congressional District**.

To replace Tracy's population, I encourage the Commission to add the city of Lodi and the rural communities on the east side of San Joaquin County: Linden, Lockeford, Farmington, etc. CA 10 residents and businesses have much in common with those agriculturally centered communities, so it seems logical to include them in CA 10.

I hope you will consider my suggestions...
