To The Commission:

I, as a citizen of Oakdale, California, encourage the Commission to remove the City of Tracy from the 10th Congressional District. To replace Tracy's population, I am asking the Commission to add The City of Lodi and the rural communities on the east side of San Joaquin County (Linden, Lockeford, Farmington, etc.) as we have more in common with those agriculturally-centered communities.

It is my fervent desire to **keep all of Stanislaus County in the 10th Congressional District.**

Sincerely,

Mary Lou Fries

I have lived in Oakdale since 1958 and proud to say we were more than happy to earn our way. We had 20 acres to take a piece of land and to turn it into something ideal and worthwhile.

Not only we were proud of our accomplishments but our 2 daughters learned responsibility. Life, to be successful means more than turning a switch!
