Subject: In support of keeping CD 17 intact
To: <votersfirstact@crc.ca.gov>

Dear California Citizens Redistricting Commissioners,

My name is Sharlene Liu and I am a resident of Sunnyvale. I am supporting Sunnyvale to remain in Congressional District 17. Further, I would like to keep Sunnyvale with its current CD17 buddies: Cupertino, Santa Clara, Milpitas and large portions of Fremont. My main reason is that it's important to keep common interests together and not break them up or have them join other communities that they don't have much in common with. The current CD17 is majority Asian, large immigrant population, high tech focused, with similar education and income levels. If you break up CD17, those core characteristics would be diluted and then we would not be represented well in Congress.

Sincerely,
Sharlene Liu
