Subject: Congressional District 17 -

To: <[votersfirstact@crc.ca.gov](mailto:votersfirstact@crc.ca.gov)>

Hello. I am writing to encourage you to keep the current Congressional District #17 intact as much as possible. I believe that the residents of this district have a great deal in common and can benefit from remaining as a "community of interest" in the district as it is configured today. My reasons are three-fold.

One, perhaps the most, obvious is the communities of Fremont, Milpitas, Sunnyvale, Santa Clara, and Cupertino all have large, often majority, Asian-American and Pacific Islander populations. Two, most of the residents in these communities share high-tech employment and income levels. Three, these communities all face the bay and must collectively deal with the dangers of global warming and rising sea levels. Please keep District #17 intact.

Thank you,

Scott Duncan
