Subject: ERRORS to "Pin Map" on AirTable Database-please reply
To: <votersfirstact@crc.ca.gov>

FROM: RENEE WESTA-LUSK

PLEASE LET ME KNOW YOU RECEIVED THIS EMAIL AND IT HAS BEEN DISTRIBUTED TO ALL THE COMMISSIONERS. THANK YOU!

Here are the ERRORS I found in my COI area that have not been documented correctly and need to be changed.

I will explain using I.D. numbers, Dates of or type of Public Input, subject area of input, name given by the speaker or centroid number currently located under.

First Set of Corrections needed:

<u>I.D. No.</u>	<u>Speaker Order No.</u> <u>Name</u>	<u>Date of Public Input</u> <u>SUBJECT of AREA</u>
------------------------	---	---

7936	22 Dr. <u>Sean</u> Hancock	Wed. August 4, 2021 Kern Community
-------------	---	---

College District COI as it relates to the 23rd C.D.

President of Cerro Coso specifically the campus of Cerro Coso C.C. in Ridgecrest

Community College located Please note spelling of Dr. Sean Hancock's first name. It is

in Ridgecrest, CA

not spelled "Shawn"

Executive Director of China

Ridgecrest as it relates to
the rest of Kern County as
a COI. He stated he is a
40 year resident of Ridgecrest

These 2 I.D. numbers (speakers) are found on the left side of the AirTable data base but fail to show up in the "Pin Map" for Ridgecrest, CA on the right side of the AirTable website.

I took Commissioner Andersen's advice to look at all the "Pin Map" communities on the west side of Kern County I finally found them (after a week of looking) in two separate centroid pin maps outside of Bakersfield. These two above testimonies were explaining how Ridgecrest relates to Kern County and needs to be represented by a Kern County Congressional District.

These two speakers testimony needs to be included in the "Pin Map" of Ridgecrest, CA. I found the centroid numbers for where I.D. No 7936 is currently placed is: 35.3466288 & -118.7295064 I found I.D. No. 7914 placed with centroid numbers 35.344055764152564 & -118.7305128502093.

These two centroids were found outside Bakersfield off of HWY 58 (two hours from Ridgecrest).

Commissioner Andersen mentioned that if they mentioned about the whole county map they were put in another place.

Doesn't it matter where they were speaking from and what community they were trying to relate to a bigger map? Both of these speakers were trying to relate how Ridgecrest has ties with Kern County. Dr. Hancock's testimony was the COI of the Kern Community College District and how it relates to Ridgecrest and most of Kern County.

There are 3 main campuses to the Kern Community College District: Ridgecrest, Porterville, and Bakersfield. All main campuses are located in the 23rd C.D.

Second Set of Corrections needed:

<u>I.D.No</u>	<u>Date of Submission</u>	<u>Type of Input</u>
2112	March 11, 2021	COI TOOL
(drawmycacommunity.org) wrote about the "IWV (The Indian Wells Valley)" China Lake Naval Base and Edwards AFB		

This I.D. No. 2112 was incorrectly located close to California City, CA which is about 1 hour and 15 minute drive south of Ridgecrest. This I.D. No. 2112 should be moved to the Ridgecrest Pin Map because the "IWV which stands for the Indian Wells Valley" is the valley in which Ridgecrest, Inyokern and China Lake Naval base are located in. I know this as I live in Ridgecrest and our water district is called the Indian Wells Valley Water District. Our local airport is called the Indian Wells Valley Airport District.

Please move this I.D. 2112 to the Ridgecrest Pin Map. Many organizations in Ridgecrest have "IWV or Indian Wells Valley" incorporated in their name/title. I.D. No. 2112 is clearly speaking about the Indian Wells Valley. **THE INDIAN WELLS VALLEY DOES NOT INCLUDE CALIFORNIA CITY OR ANY AREAS AROUND CALIFORNIA CITY.**

PLEASE NOTE: even though the valley that the Ridgecrest area is located in is called INDIAN WELLS VALLEY we cautioned our speakers from referring to the Indian Wells Valley BECAUSE WE DID NOT WANT OUR AREA GETTING CONFUSED WITH THE

CITY OF INDIAN WELLS WHICH IS LOCATED IN THE COACHELLA VALLEY.

PLEASE NOTE: THE 2010 COMMISSION AT ONE TIME GOT US CONFUSED WITH THE CITY OF INDIAN WELLS IN THE COACHELLA VALLEY. WE HAD TO MAKE IT CLEAR TO THEM THAT THE INDIAN WELLS VALLEY WAS SEPARATE FROM THE CITY OF INDIAN WELLS AND IN TWO VERY DIFFERENT LOCATIONS IN THE STATE.

Third Set of Corrections needed:

FOR THE "PIN MAP"

3 public input testimonies THAT ARE STATEWIDE TESTIMONIES AND HAVE NOTHING TO DO WITH THE COMMUNITY OF "CALIFORNIA CITY" WERE PUT WITH THE CITY OF CALIFORNIA CITY AND DO NOT BELONG THERE. THEY BELONG UNDER "PUBLIC INPUT" TAB or "PUBLIC COMMENT" TAB on the front page of the website.

PLEASE REMOVE THE FOLLOWING THREE ENTRIES FROM THE "CALIFORNIA CITY" "PIN MAP" AND PLACE UNDER THE APPROPRIATE TAB.

3 ENTRIES IN THE CALIFORNIA CITY "PIN MAP" NEEDING REMOVAL:

ENTRY NO. 1 for REMOVAL:

Live meeting
representing California & Hawaii State Conference of the
NAACP Chapters

Represents 57 Chapters of of the NAACP; asking CRC to
disseminate info to

A.A. communities and ask neighborhood councils to give
public input

THIS TESTIMONY WAS GIVEN BY DOMINIQUE DENAE REPRESENTING THE CALIFORNIA & HAWAII STATE CONFERENCE OF THE NAACP. THIS IS A STATEWIDE ORGANIZATION IT DOES NOT RESIDE IN CALIFORNIA CITY. THE SPEAKER NEVER MENTIONED "CALIFORNIA CITY". THE SPEAKER NEVER MENTIONED ANY KIND OF MAP.

CAN SOMEONE EXPLAIN WHY THIS WAS PUT WITH CALIFORNIA CITY AS A COI FOR MAPPING?

THIS DOES NOT BELONG WITH THE CITY OF CALIFORNIA CITY IN DRAWING COI MAPS. SHE DID NOT MENTION THE COMMUNITY OF CALIFORNIA CITY LOCATED IN KERN COUNTY. NO MAP WAS REFERRED TO IN THIS TESTIMONY.

PLEASE REMOVE FROM THE "PIN MAP" OF CALIFORNIA CITY.

PLEASE PUT UNDER EITHER THE A) PUBLIC INPUT TAB or B) PUBLIC COMMENT TAB.

ENTRY NO. 2 for REMOVAL:

Letter states attention needs to be paid to the Viet Nameese Communities that have

significantly grown over the past 10 years. Attached to the letter were charts on

growth of Viet Nameese populations in counties in California with the largest

populations of Viet Nameese.

THIS IS A STATEWIDE COMMENT LETTER. IT IS NOT ANYWAY MEANT TO BE COI TESTIMONY FROM CALIFORNIA CITY.

THIS LETTER WITH ATTACHED CHARTS WAS ALREADY POSTED IN TWO PLACES ON THE CRC WEBSITE:

A) POSTED ON July 7, 2021 under PUBLIC INPUT TAB

B) POSTED ON July 7, 2021 under PUBLIC COMMENT TAB

THIS IS GENERAL PUBLIC COMMENT AND THE SPEAKER NEVER MENTIONED CALIFORNIA CITY OR A COI MAP OF CALIFORNIA CITY. NO MAP WAS REFERRED TO.

PLEASE REMOVE THIS FROM THE "PIN MAP" OF CALIFORNIA CITY ON THE PIN MAP SIDE OF THE STATEWIDE DATABASE.

CAN SOMEONE EXPLAIN WHY THIS WAS PUT IN CALIFORNIA CITY?---THERE WAS NO COI MENTIONED INVOLVING THE MAP OF CALIFORNIA CITY.

ENTRY NO. 3 for REMOVAL:

Live meeting

James Gallant was calling from the

State of Michigan about this issue

He called in twice to the live meeting

THIS PERSON LIVES AND WORKS IN MICHIGAN.

PLEASE REMOVE THIS FROM " PIN MAP" OF CALIFORNIA CITY.

THIS IS NOT COI MAP TESTIMONY, NO MAP WAS EVER DISCUSSED, NO CITY OR LOCATION WAS EVER DISCUSSED. PLEASE MOVE THIS TO " PUBLIC COMMENT" OR " PUBLIC INPUT" TABS.

THIS CONVERSATION FROM MR. JAMES GALLANT DOES NOT BELONG ON THE " PIN MAP"

THIS IS GENERAL COMMENT ON A NATIONWIDE ISSUE.

CAN YOU PLEASE TELL ME WHY THIS CALLER WAS PLACED WITH CALIFORNIA CITY PIN MAP. NOT CITIES OF CALIFORNIA WERE EVER BROUGHT UP. IT WAS OUTSIDE STATEWIDE ISSUE TESTIMONY.

4th set of corrections needed:

LETTER NO. 1 listed under "public input" tab

A letter sent from Scott O'Neil Executive Director of the Indian Wells Valley Economic Development Corporation which is located in Ridgecrest, CA was put under the " public input" tab posted on August 29th.

The area (location) given from the letter says " Indian Wells Valley".

Please change this location to " Ridgecrest". See the lower left hand corner of the letter it shows: Ridgecrest, CA.

WE DO NOT WANT TO GET OUR AREA CONFUSED WITH THE CITY OF INDIAN WELLS WHICH IS LOCATED IN THE COACHELLA VALLEY.

LETTER NO. 2 listed under "public input" tab

A letter sent from David Ostash Superintendent of SSUSD which is the public school district for the Ridgecrest area. This letter was put under the " public input" tab and posted on September 2, 2021.

Please note there are two problems with this posting:

a) area (location) of where the letter is from is stated " Kern Valley" . There is no such school district or location called the " Kern Valley".

PLEASE CHANGE THE LOCATION TO: " RIDGECREST". The Superintendent of SSUSD(Sierra Sands Unified School District) is located in Ridgecrest.

SSUSD is actually located in the Indian Wells Valley but we do not want to the commissioners confusing us(Ridgecrest) with the City of Indian Wells located in the Coachella Valley. We refrain for this specific reason to avoid using the description of " Indian Wells Valley". There are also 2 references to Ridgecrest in the letter from David Ostash.

b) part of the letter is missing, see the bottom sentence is incomplete. Can the CRC staff revisit the original email they received from David Ostash?
