“I live in Valle Vista in the county of Riverside on Charlton Avenue ACROSS THE STREET from the city of Hemet. I think the commissioners still think I am a potato field and therefore I am in assembly 71 which goes around and down to the Mexican border. Please attach my area to Hemet which now is District 67, 42 and 71. Please just put Hemet in just one district and put me in Hemet. I now use Hemet as my mailing address anyway. Why? If I am across the street and need help, I'm to call Hemet police; if I am on my side of the street, I am to call the county. A county dog attacked a woman and her dog across the street. The dog lived in the county, but ran across the street to attack in the city. Nothing was done as each security group said to call the other group. ”
