Dear California Citizens Redistricting Commission,

We are frankly concerned about how the re-districting will affect our voting community.

Prior to your decision-making process, we would like to comment that the areas of Camp Pendleton and San Clemente do not fit our demographic. Pam is age 74 and Doug is age 77. It is our understanding that a majority of the people in Laguna Niguel are over age 50. Our health and housing concerns are age-related.

To our thinking, we would fit more comfortably with the City of Laguna Woods.

Thank you for considering our request as you make your decisions.

Respectfully,

Pam and Doug Carrie
