Dear Commissioners:

My name is Mansfield Collins, I am an attorney who lives in the City of Walnut. I have been following the redistricting process over the last several months, and want to express my support for Slide 45 of the LA County Visualizations, under the "Walnut/Diamond Bar Area" section.

I live in the City of Walnut, but my office is in the City of West Covina. Many residents in Walnut work in West Covina, and many residents in West Covina come to Walnut for church and for educational purposes at Mt. San Antonio Community College. I think it's extremely important that Walnut, Diamond Bar Hacienda Heights, and Rowland Heights stay in the same districts with West Covina.

Thank you for taking the time to read my comments.
