“Modesto does not have any representation at the state legislature level. Despite being one of the largest cities in the Central Valley, we are cut up and split so that we do not have any true representation at the State level. Our State Assembly seats (12 & 21) split Modesto 60-40. This is unacceptable. In the State Senate, Modesto is eaten up by State Senate District 5, which is also home to the bigger San Joaquin County including Stockton and is drowned out by this city and its population. Not to mention other parts of Modesto are represented by CA Senate 12, which also covers Monterey County... (does this make sense?) I would be very happy to have a State Legislature seat that keeps Modesto whole and allows the City of Modesto to have one true voice in the State Legislature. Please consider this proposal.”
