“To the California Redistricting Commission, My name is Jeanine Nassar, and I am contacting you on behalf of the Arab American Civic Council. Not only do I work in Anaheim’s Little Arabia, but I visit this cultural hub frequently with my family and friends. Little Arabia is a welcoming cultural and business destination on Brookhurst Street between Crescent Avenue and Katella that attracts people from all around the United States for its unique Middle Eastern restaurants, cafes, clothing stores, hair salons, and ethnic grocery stores. Majority of the businesses owned in the Brookhurst corridor are both family and immigrant-owned. The beauty of the Little Arabia district is what it offers to the community as a whole. The Arab community in Anaheim is bound together by a shared history, language, and culture, which is shared and welcomed to the entire Anaheim community and its visitors. Everyone is welcomed and cherished in Little Arabia It is important that Little Arabia be kept whole in the legislative districts you draw because of the shared social needs of the community and the needs of small business owners. Redrawing the lines, and separating Little Arabia would not only affect the needs of small businesses, but also the Anaheim community as a whole. Thank you, Jeanine Nassar ”
