Subject: Los Angeles and San Bernardino County Map Feedback

To: <votersfirstact@crc.ca.gov>

Hello,

My name is David Angel and I am a lifelong resident of Ontario, California. I wanted to provide feedback on the proposed Congressional lines for the eastern border of Los Angeles County and the west end of San Bernardino County, in the area of Pomona, Chino, Ontario, Fontana, Upland, Rancho Cucamonga, and surrounding cities. The maps, as currently drawn, disenfranchise low-income Latino/a communities in Pomona, and dilute the Latino/a voice in Pomona and Ontario. Though this area has experienced a large growth in the Latino/a community since the last census, these maps would dilute their voice with those of the more affluent residents in Rancho Cucamonga and surrounding areas. The maps should empower the Latino/a community and allow their voice to be heard in the area, rather than disempower them by including more affluent communities with different needs. The maps should be revised to address these issues.

Best,
David Angel
