

Dear Whom It May Concern,

My name is Elizabeth H. Kim, and I am an attorney at the oldest law firm in San Joaquin County (100+ years and counting) known as Neumiller & Beardslee.

I am proud to call San Joaquin County my home, and I plan on residing in this County for the rest of my life.

As such, I would like endorse and state that when the district lines are drawn, it is critical that San Joaquin County maintain unified representation at the State and Federal level.

These proposed maps ensure that San Joaquin County will have the strongest voice possible with our elected leaders with: One Congressional Seat, One Senatorial Seat and Two Assembly Seats as shown.

Thank you,
