# COI TESTIMONY

Honorable Commissioners,

Thank you for the opportunity to share my concerns for the upcoming redistricting. My name is Tami Sims, and I am a 34 years resident of Temecula.

Temecula is in Riverside County yet much of our representation (the 50th and 75th) is in San Diego County. We are currently split; part of Temecula falls into the 42nd District, and the majority lies in the 50th District which is San Diego County. We are asking to be removed from San Diego's 50th District as we have had no voice, no representation, and have very little in common with San Diego County. Our community has effectively been without any representation for the last 10 years.

## COI TESTIMONY CONT.

I urge the CRC to remove us from the 50th and the 75th, Temecula's Congressional and Assembly Districts, and place us back into Riverside Counties 42nd and 67th districts. Our County is Riverside, and our communities of interest are also in Riverside County such as schools, shops, entertainment, and restaurants along with our wineries and Pechanga Casino which we share with our sister cities Murrieta, Wildomar, and Lake Elsinore not San Diego County. Please do not allow us to be separated from our own Communities of interest and allow us to have representation within Riverside County. Dividing our community is counterproductive, and it is my hope that you will be able to correct this with the current redistricting and drawing of the maps.

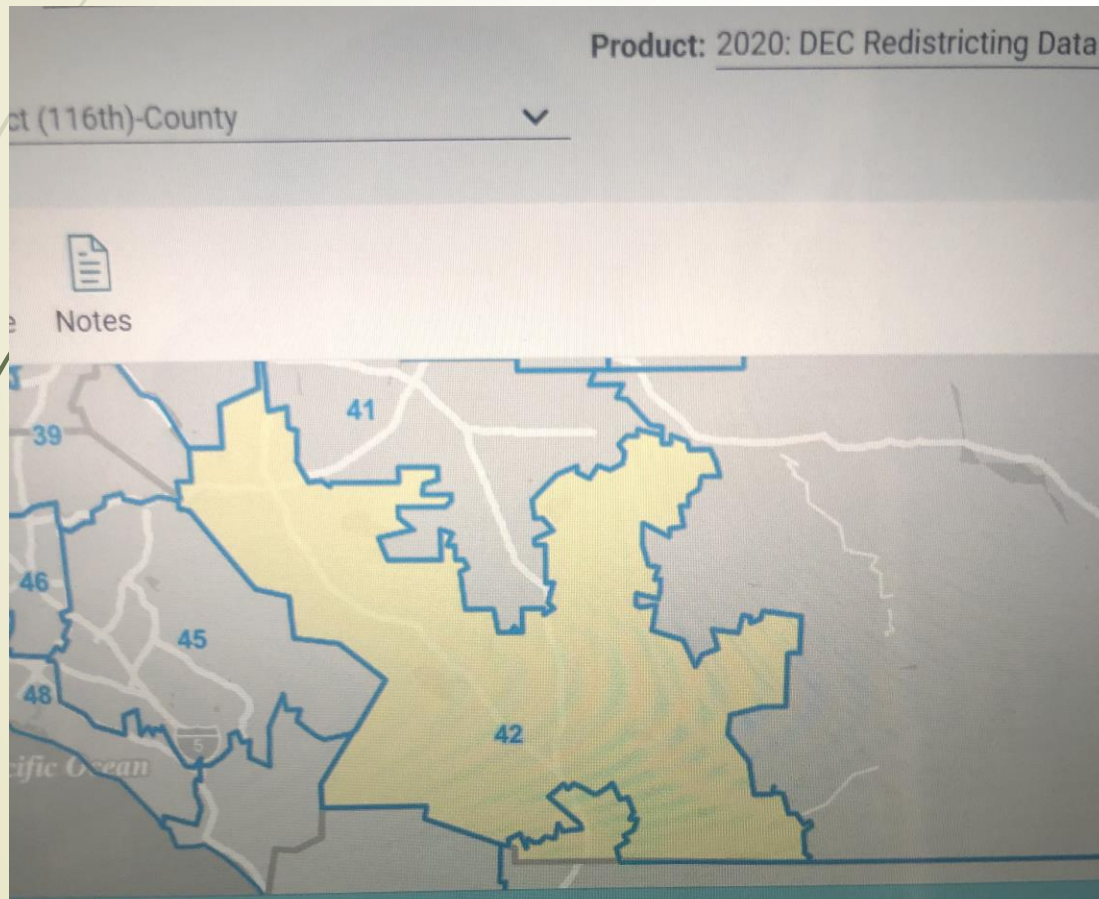

I thank you for your time and appreciate your consideration for the betterment of my community.
