

Draft

# CA Congressional Map Western Riverside County

October 9, 2021

## Re: Draft Congressional Map for Western Riverside County

Honorable California Redistricting Commissioners,

The attached Congressional District map represents what we collectively agreed to be our communities of interest. Working with numerous community leaders, residents and community service organizations such as the League of United Latin American Citizens Council # 3190 of Riverside and TODEC of Perris and Moreno Valley we have determined that these are indeed the communities that we mostly share our living and social endeavors with.

Riverside, Jurupa Valley, Moreno Valley, Perris, Mead Valley, Good Hope and immediate surrounding areas are populated with residents that share the same shopping centers, schools, universities, hospitals, churches, lifestyles and culture. A great many of our residents speak English, Spanish, and many other languages.

We have been working with several community projects such as promoting better education facilities, civic participation, voter registration, health fairs and health clinics free to the public. We have been involved with a community service group known as: Unidos which is made up of more than 15 community service organizations that pulling capital and resources together have built memorials, rebuilt historic sites and new cultural museums that make our residents proud.

Together we have been doing all this and will be doing much more in the near future. The future looks a lot better if we remain as we have one Congressional District with pride in unity and the wiliness to sacrifice for all our families' future.

Thank you,

Yolanda Esquivel

Redistricting Committee Chair

LULAC OF RIVERSIDE COUNCIL 3190
