“Dear California Citizens Redistricting Commission, My name is Alexis Rivera. I am a teacher, Navy Veteran, and life-long resident of Manteca, CA. Manteca is in San Joaquin County, and is in the middle of Tracy, Stockton, and Modesto. I am writing to you, because as a life-long resident of Manteca, I find myself connected to Modesto more than Tracy or Stockton. I would feel much better being represented by someone from Stanislaus County, and belong to a district that has Manteca included with Modesto over Tracy or Stockton. ”
