 Subject: My thoughts on redistricting my vote
 To: <votersfirstact@crc.ca.gov>

Please consider the following mapping for the redistricting of my vote. I have participated in surveys, attended live meetings and now am sending correspondence to make sure you hear my concerns to keep San Joaquin county it's own entity, as much as possible. The following maps illustrate how I would like to see redistricting - keeping San Joaquin County communities together in how they desire to be representatively governed. Thank you.
