

Assembly District 55 Narrative

Population deviation of -348 (total population of 493,695 of targeted 494,043 size).

41.1% AAPI

38% Latino

17.6% White

Changes to current AD 55:

- Hacienda Heights, La Habra Heights, and all of West Covina is added to the district. Yorba Linda and Placentia are removed, and grouped with foothill communities along the Santa Ana Mountains.
- Covina Hills (unincorporated LA County) remains in the district, as it currently is at the state Assembly and state Senate level.
- Both West Covina and Hacienda Heights have a higher AAPI population percentage than Placentia and Yorba Linda (West Covina 32.2 % AAPI, Yorba Linda 26% AAPI).

All of West Covina is added.

- New proposal correlates 100% with the communities included in the October 4th LA County visualization on slide 45
- Correlates with the Orange County Visualizations on Slide 6, with the exception that Fullerton is not included in proposed district.
