Subject: Santa Monica & Malibu Schools at stake
To: <VotersFirstAct@crc.ca.gov>

As an elected official in Santa Monica who cares deeply about education, I ask that you keep Santa Monica and Malibu together. We share the Santa Monica College district and the SMMUSD school district. Having 2 separate assembly members with competing interests represent the 2 related communities (particularly educationally) would be non-constructive. Please keep them together in a new district.

Thank you.
