

Special Guest: Commissioner Neal Fornaciari

Every 10 years, after the federal government publishes updated census information, California must redraw the boundaries of its Congressional, State Senate, State Assembly and State Board of Equalization districts, so that the districts correctly reflect the state's population.

Join the League of Women Voters SLO on Thursday April 29 at 12:00 pm for an informational session, followed by a Q&A opportunity, featuring Commissioner Neal Fornaciari, one of the citizens appointed to the California Citizens Redistricting Commission, a group of citizens responsible for this important endeavor. Commissioner Fornaciari will speak to the commission's purpose, process and guidelines that must be followed in completing their duties. Find out how you can be involved in the process and why your involvement is important to our community.
