# PROMOTING EDUCATION THROUGHOUT THE COMMONWEALTH

## COUNCIL FOR EDUCATION IN THE COMMONWEALTH (CEC):

Is working for increased opportunities in adult, community, further and higher education to become a reality.

Welcomes you to share our commitment to all children having access to high quality education.

### OUR ACTIVITIES INCLUDE:

- ◆ Advocating education policy and funding across the Commonwealth to government ministers.
- ◆ Sharing good practice among education professionals through lectures and conferences.
- ◆ Working with our Parliamentary team.
- ◆ Joining with our partners: the Commonwealth Secretariat and Foundation, High Commissions in London, NGOs and institutes, in the UK and beyond.
- ◆ Exchanging educational experience and expertise across the Commonwealth.

## A COMMONWEALTH ACCREDITED EDUCATION NGO

We work with MPs and peers to keep the educational needs of Commonwealth people high on the Government's agenda. As a Commonwealth-accredited NGO, we are invited to join civil society consultations with Commonwealth agencies and take part in Commonwealth ministerial conferences. Our programme prioritises education for women, those in fragile states, vulnerable communities and small Commonwealth countries.

*"The Commonwealth is a credible voice in world affairs.  
It is vital for our education voice to be heard."*

Naledi Pandor, South African Education Minister  
(CEC's 50<sup>th</sup> Anniversary Conference, Oxford, 2009).
