

**CEIU Mental Health Committee
Report of the meeting on March 12th, 2021**

Present: Lyne Cartier, Paul Croes, Lynda MacLellan, Christine Price, Rhonda Rumson

Technical support: Luc Pomerleau

Guests, attending a part of the meeting: Eddy Bourque and Crystal Warner

Regulation 25

The Committee did some modifications to Regulation 25.

The Committee recommends that the National Executive adopts the proposed modifications of Regulation 25.

The Committee recommends that the modifications of Regulation 25 come into effect after the 2021 CEIU Convention.

Other Recommendations

Webinar

The Committee discussed some potential activities to put in place for the members, such as a webinar with a speaker. There would be at least 2 sessions to accommodate people across the country. The Committee recognizes the importance of both languages when planning. The Committee recommends that the National Executive approves funding to hold this prior to the 2021 National Convention.

Rebranding

At a prior meeting, the Committee discussed to change the Committee branding, such as the logo. As there is a cost associate to this, the Committee recommends that the National Executive approves funding for the rebranding.

Committee Email

Sister Lyne shared her draft response to an email received in the Committee's mailbox for comments from Committee members.

Adjournment

Rhonda proposed the adjournment, Lynda seconded it.
