

## National Vice-President -- CEIU Ontario Region -- October 2020 Report

Sisters, Brothers, Comrades,

It's has been quite year, for the last 6 months we have been working and living under condition that will become part of our new Normal due to the COVID-19 Pandemic. This pandemic is not going away any time soon.

As a member of the PSAC's PA Bargaining Team we achieved a new Tentative Deal in July after 2+ weeks of discussion/talks. And as of last week, the membership has concluded its ratification with acceptance of a new 3-year Collective Agreement expiry date 2021-06-20.

We have been having regular meetings with ESDC Ontario Regional Management however it is getting old with the way that Ontario Management lacks engaging in any real consultative conversations.

Internally with CEIU Ontario Regional Council (ORC) there is lots of work we, Paula and I, need to do and action for the year 2020, with them i.e. planning and having our 2020 President Conference, the call out for election the CEIU ORC positions for the next term due to start January 2021.

I look forward to continuing to move forward and grow our region into 2021 and eventually passing on the responsibilities of my office to the incoming National Vice-Presidents for CEIU Ontario Region.

Educate, Agitate, Organize

Respect & Solidarity!

Travis
