BY-LAWS & REGULATIONS COMMITTEE

Role & Responsibilities

Members of this committee are responsible for reviewing the current NCR By-laws and Regulations for possible changes and making recommendations to the NCR Presidents Council Meeting for any changes.

They are also responsible for making recommendations for new by-laws and regulations or changes to current ones. As well, the region has policies that need reviewing from time to time and recommending changes to the Regional Executive Council.

The committee meets when required and can meet prior to an NCR Presidents Council Meeting, if required.
