REGIONAL EVENTS & TRAINING COMMITTEE

Role & Responsibilities

The responsibility of the Regional Events and Training (RET) committee is to develop and organize regional events and regional training as required, as well as to evaluate costs and funding for these events and provide a recommendation to the Regional Executive Committee.

The mandate of this committee is to assist members who are seeking to expand their knowledge and further their labour education by attending conferences, conventions or training opportunities. The RET committee is often the largest revenue source for members of NCR, and with this consideration in mind, the committee will endeavor to provide financial assistance where and when possible within the regional annual budget allocated for training.
