National Capital Region (NCR)

FINANCE COMMITTEE

Role & Responsibilities

This committee reviews the revenue, makes recommendations to the REC on specific line items for the budget. Members also make recommendations for Financial Policies to ensure the region runs smoothly. The regional treasurer submits claims for processing at the CEIU National Office and works closely with the National Director of Finance. This committee meets when required either in person or by telephone.

The committee meets when required and can meet prior to an NCR Presidents Council Meeting, if required.
