## **HUMAN RIGHTS & RACE RELATIONS COMMITTEE**

### **Role & Responsibilities**

---

The NCR HRRR committee champions human rights and race relations for all members. Their mandate is to empower our members through education, awareness, promotion, & advocacy on issues related to HRRR. They are responsible for identifying and engaging members on HRRR concerns, to promote and foster a positive and safe environment, and to lobby the union, employer and government at all levels on HRRR issues.

Note that this page is currently under development and will be made available to the NCR members at a later date.
