**Re: Care New England/Memorial Hospital Reverse Certificate of Need**

Dear Mr. Jerzyk:

This letter is addressed to you in your capacity as City Solicitor regarding the above-captioned matter. I have had an opportunity to discuss these matters with Mayor James Diossa. I have outlined to him potential legal strategies and actions to protect the interests of the citizens of the City of Central Falls. This includes the filing of a Declaratory Judgment action in Court against Care New England the Rhode Island Department of Health.

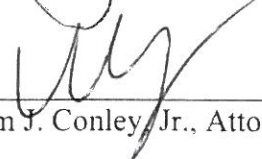

This document shall constitute a request and authorization by the City of Central Falls for the Law Office of William J. Conley, Jr. to represent the City of Central Falls and shall constitute an agreement for legal services rendered to the City of Central Falls related to the above-captioned matter. The Law Office of William J. Conley, Jr. proposes to provide these services on a pro bono basis to the City of Central Falls and its citizens. The Law Office of William J. Conley, Jr. will consult with you on all decisions and actions taken in regard to the providing of legal services and will engage in services only specifically approved by the law department of the City of Central Falls.
