On 8/21/17, I was assigned this internal affairs complaint by Captain Horton. I reviewed the citizen complaint that was filed on 5/4/17 by a subject identified as one [REDACTED] 92. [REDACTED] alleges on the night of 5/4/2017 at approximately 2330 hrs, officers forced him to get off the ground by pulling him in an upward motion. [REDACTED] further alleges one of the Officers present took his Bank of America card and withdrew \$1600.00. I spoke with [REDACTED] who stated he responded to the call and the subject identified as [REDACTED] had his phone plugged into the outdoor outlet of the home. [REDACTED] asked him if he lived on the property which he stated that he did not. [REDACTED] asked him for his identification which he stated that he did not have any and handed him an ATM card as proof to his identity. [REDACTED] then ran a warrant check on [REDACTED] which came back negative. [REDACTED] was then given his ATM card back and he was sent on the way from the area. [REDACTED] recall [REDACTED] then began to verbally berate the officers as he was walking away from the area.

I then attempted to contact [REDACTED] via the telephone listed, however, due to the poor penmanship, I am unable to positively identify his phone number. I have called multiple combinations of the numbers present, however, at this time, I am unable to speak with the complainant.

On 12/28/17, I responded to [REDACTED] Superior Street, Providence to contact [REDACTED] I then spoke with [REDACTED] his mother, who informed me her son is currently living at an unknown location for the past three months and he does not have an active phone number thus there is no way to contact him at this time. She informed me her son suffers from depression and has been on numerous medications for the past year. These medications have apparently made him act in a very confused manner and he does not want to be around his family at this time. Due to this, I am requesting this investigation be suspended until such a time that [REDACTED] either contacts this department in regards to his complaint or I am able to obtain a working phone number.
