

FREE AND LOW COST COMPUTERS AVAILABLE NOW!

Computers for Classrooms

Low-cost refurbished computers are available to individuals or groups. Computers for Classrooms was started in 1991 as a volunteer program to refurbish donated computers for schools. The non-profit serves schools, college students, senior citizens, low-income families and non-profits.

Desktop Computers and Prices

Shipping charges apply for orders under 10 computers. (Estimated shipping cost: \$10 - \$20 to Contra Costa county locations.)

- Prices range: \$100-\$250 for computers and laptops.
- Printers are \$50. Accessories are also available.
- All refurbished desktop computers come with a 19" LCD Monitor, USB keyboard and mouse, keyboard, Windows 10 Pro, Microsoft Office 2010, anti-virus, anti-malware and a 1-year warranty.
