WHAT TO EXPECT AT #NAWC2019

All sessions at the 2019 National Animal Welfare Conference will be presented in English. We will be offering simultaneous English-to-French translation for all plenaries and a number of concurrent sessions. Note that all simultaneously-translated sessions are marked with "ST" in the schedule.

SUNDAY

CAPACITY BUILDING

Learn how you and your organization can build your capacity for organizational success, volunteer engagement, mental health support and more.

CATS COUNT

Elevate your awareness of key cat welfare issues as we showcase some incredible programs and initiatives for cats from across Canada.

ANIMAL ETHICS

Learn more about underlying ideas and values regarding human/animal relationships and how they drive organizations, individuals and the public to act.

VULNERABLE ANIMALS

Explore initiatives that support vulnerable people and their animals, and learn more about the connections between human and animal welfare.

MONDAY

SHELTERING FOR CHANGE

Grow your knowledge about sheltering best practices, innovative animal care approaches and inspiring shelter success stories.

CAT BEHAVIOUR

Gain important insights about cat behaviour, both in and out of the shelter, from leading experts.

ADVOCACY

Learn cutting-edge advocacy strategies tailored to the Canadian animal welfare sector.

EDUCATION

Access knowledge about how to utilize education in order to grow Canada's humane movement and get the public invested in our cause.

DEVELOPMENT & STRATEGIES

Learn fundamentals on key topics related to public engagement, business development and organizational strategy for the humane sector.

TUESDAY

SHELTER MEDICINE

Geared toward veterinarians and veterinary technicians working in a shelter context and focused on intake, disease control and chronic illness.

FUNDRAISING

This training track focuses on knowledge-sharing about strategy, planning, tech infrastructure and leveraging challenges toward increased fundraising.

LEADERSHIP

Geared toward senior managers, EDs, CEOs and Board members of animal welfare orgs and focused on strategic planning and effective teams.
