

## Advent Calendar – Biblical Jesse Tree

Here's an easy project for a family or a group from the Christian Family Movement, [www.cfm.org](http://www.cfm.org)

Cut a large piece of dark green felt (about 1 yard) into the shape of a Christmas tree. Cut 3" x 3" squares of gold felt. Cut shapes of the symbols for each day out of white felt and glue the symbols on the gold squares. Write the number and person/meaning of each symbol on the backs of the gold squares. Follow the list below, each day putting another symbol the tree—starting at the bottom of the tree, marking the days until the Birth of Jesus.
