

Build Family & Faith:

An Easy Idea You Can Do at Home!

Families Are Important!

Invite three couples to join you on an adventure in Family Enrichment.

The tools included in this starter kit have everything you need to begin enriching your family life and making new friends in your parish or neighborhood.

CFM materials are Catholic and are inclusive of inter-church families. They are welcoming to couples and single parents, too.

CFM is a network of small groups of Catholics and their families that focus on topics of importance to their marriages, families, church and community. Adults plan ways to include their children in the actions they plan at their meetings.

The U.S. Catholic Bishops recommend CFM in "Follow the Way of Love" and their planning materials for their National Pastoral Initiative on Marriage.

CFM is a member of the National Association of Catholic Family Life Ministers.
