

A LETTER FROM CHAIRMAN WAYNE GOODWIN

April 25, 2020

To my Friends & Fellow Democrats,

As you meet for your County Convention, I am happy to report that the North Carolina Democratic Party is in a strong position to deliver victory for Democrats across our State this November. With your continued passion and support, we are in a great position to push our message out and get as many Democrats elected, up and down the ballot.

In the first couple of months, our voter registration program was able to register more than 6,000 new voters in the Tar Heel State. In the coming months, we will work as hard as we can for an historic outcome on election night. This work is more important than ever as we continue to advocate and push for our values at the ballot box.

All eyes are on North Carolina. We know that both the White House and a Democratic majority in the U.S. Senate runs through our North Carolina. We're determined to re-elect Governor Cooper and win more Council of State and statewide Judicial races and once again, we have Democrats running in almost every State Senate and House District, challenging Republicans in areas of this State that in the past general election years they didn't have to defend. We are setting up an unprecedented ground game to fight for equality, prosperity and opportunity for all. Together, we are working in every County and zip code for our values. Our best days are ahead, and we've got to work harder than ever and organize, from the mountains to the coast.

Right now, we're organizing, phone banking and talking to voters more than ever, even in these trying times. North Carolina Democrats know this and today we recommit ourselves to making history in the fall. We've had to change the way we operate in the face of this unprecedented global pandemic. But I know we will get through this together. Once again, thank you all for attending your county convention in these troubling times. I'm counting on every single one of you – we're in this together!

Thank you for all of your hard work,

Wayne Goodwin
Chair, North Carolina Democratic Party
